

Haven of Hope Sister Annie Skau Holistic Care Centre

Long Term Care & Respite Care Service Service orientation & charges

1. Quality Holistic Care Services

Haven of Hope Sister Annie Skau Holistic Care Centre ("The Centre") is committed to provide holistic care services for elders and patients with different needs. Our trans-disciplinary health care team includes specialist physicians in palliative care, geriatric or orthopedics, nurses, physiotherapists & occupational therapists. All admitted residents will be provided with professional and comprehensive assessments as well as personalized medical and nursing care. Together with the integrated psychological, social and spiritual care provided by our social workers and chaplains, residents' quality of life will be enhanced.

2. Self-financing Operations Model

The Centre does not receive any government subvention and operates on a self-financing model supported with donations. Charge level is between high quality nursing home and small private hospital. In order to cater for the needs of different families and individuals, a variety of service plans such as packaged service and daily rate services can be chosen.

3. Tranquil and Comfortable Environment

The Centre offers different room types, ranging from family suites, single rooms, twin rooms, 4-7 bed rooms. Each spacious ward floor comfortably accommodates a terrace garden, a living room and a dining room, creating a warm, serene and homely environment. There are also roof top garden, multi-purpose activity rooms, family health resources pavilion (Oasis Lounge) and chapel, which can fulfill the physical, psychological, social and spiritual needs of our residents and families. Please visit our website to see photos of our environment and facilities: http://www.hohcs.org.hk/content_53.html
